## GETTING AROUND TORONTO

Toronto is a big city, but it's easy to navigate by excellent, clean and safe public transit, roads or bike lanes.

For information on the TTC's network of streetcars, buses, subways and light rail, see the Toronto Transit Commission website at <http://ttc.ca/>.

For regional transit, see <http://www.gotransit.com>.

For information on roads, parking, temporary street-parking permits and bike lanes, see <http://toronto.ca/>. For the city's incredibly cheap Bikeshare rental service, see <https://bikesharetoronto.com/>.
