**On the twelfth day of Christmas...**

Step into the atmosphere of times gone by. Partake in the Yuletide customs of Old England — dance by the fire to live music, eat a historical supper by candlelight, wassail and other seasonal treats, play traditional games and enjoy the historic Inn, decked in all its festive decorations.

Friday's event is for advanced English Country dancers, but the Saturday event is beginner-friendly. No dance experience or partner are needed (and there is no lead or follow), but the afternoon dance workshop is required for people newer to English Country Dancing and will help everyone enjoy the evening to the fullest.
