

# Jane Austen Dancing

We are a Jane Austen re-enactment community, exploring, celebrating and re-creating various aspects of Regency culture such as food, fashion, built heritage, design and — of course — music and dance!

We hold dance classes, fashion workshops, picnics, lectures, meals, balls & other social events, all year round.

Not into dancing? Join us for the York Regency Society tea-lecture series, where we delve into a wide range of topics, or the Supper Club, where we enjoy meals created from historical recipes.
